We look forward to seeing many of you there!

Dear Members,

To make it easier to identify the different family branches during our reunion, we are planning a color-coded identification system.

To ensure that each participant is linked to the correct branch of the Pierre and Jean Therrien family tree, we ask you to provide the following information:

Name of your father and mother

Name of your grandparents (Therrien side)

This information will help us prepare your welcome materials and make the event even more memorable.

Thank you for your response.

Official Reunion Cap Orders

We are now taking orders for the official Therrien family caps. They are available at a cost of \$30 each.

Whether it's to protect you from the sun during our activity weekend or to give as a gift to your loved ones, it's a beautiful keepsake for our great family.

Please let us know how many you would like by replying to this email.

Quantity desired: _____

(Payment on-site upon purchase of the caps)
